The publisher (Princeton University Press) provides an errata sheet on its website, but there may be other errata. I put my discovery here, **it's not official**. If you find any error in this file, please send me the email (d04221001@ntu.edu.tw). It's really helpful for me. Thanks!!

Page 63 the second expression, $\sum_{n=1}^{\infty} \rightarrow \sum_{n=0}^{\infty}$.

Page 69 line 2 of Problem 4, if not connected \rightarrow is not connected.

Page 69 last expression, $\lim_{n \rightarrow \infty} \rightarrow \lim_{k \rightarrow \infty}$.

Page 108 Problem 1 (a), $f(\mathbb{D}) \rightarrow f_n(\mathbb{D})$.
